Caterers who provide alcohol will follow all guidelines set forth by the North Carolina Alcoholic Beverage Control Commission

If alcoholic beverages are being donated to an approved non-profit organization, CMCC will allow the alcohol to be brought in subject to the following requirements: Client must obtain their own special one-time permit from the ABC for sale and service of alcoholic beverages. The permit application must be signed by a member of the CMCC management staff as the "owner of the venue." An approved bartender must be selected from the Approved Caterer List.

The client is fully responsible for all arrangements and contracts entered with any Approved Caterer.
